

## Invitation to Participate in Sustainable Energy Week

**Date: 04 - 08 September 2017 | Grades: 4 – 12 | Venue: Sci-Bono Discovery Centre**

Sci-Bono Discovery Centre warmly invites your organization to participate in **Sustainable Energy Week** taking place from **04 to 08 September 2017**.

Sci-Bono Discovery Centre will be hosting a Sustainable Energy Focus Week to provide opportunities for learners and teachers to directly engage with the professionals and activities of the industry. Sustainable energy is a form of energy that meets the energy needs of today without compromising the ability of future generations to meet their own needs. It is about finding clean sources of energy that renew themselves, rather than sources that can be depleted.

### **Theme: Clean Renewable Energy Sources & Technologies**

#### **Objectives:**

- Create awareness around the need for sustainable energy.
- Expose learners to sustainable energy sources & solutions.
- Demonstrate how innovations in science and technology can increase the accessibility of clean sustainable energy.
- Showcase industry partners & careers in sustainable energy related fields.

**Target: 6000 learners | Grade 4 – 12 | Monday to Friday from 09:00 to 13:00**

If you would like to showcase your organisation at the Sustainable Energy Week through interactive workshops, engaging presentations and extraordinary exhibitions, please complete the attached forms and email them to Akash Dusrath at [akash.dusrath@sci-bono.co.za](mailto:akash.dusrath@sci-bono.co.za) or Mary-Ann Makama at [mary-ann.makama@sci-bono.co.za](mailto:mary-ann.makama@sci-bono.co.za) **before 28 July 2017** or contact us for more information on 011 639 8460/00.

## Presenter Booking Form Sustainable Energy Week

**Date: 04 - 08 September 2017 | Grades: 4 – 12 | Venue: Sci-Bono Discovery Centre**

We aim to provide an inspirational and interactive learning experience for both teachers and learners through presentations which enhance interest and understanding in Science, Technology, Engineering and Mathematics. Each presentation will be allocated 45 minutes and the presentation will run between 9:30 and 13:00.

Please complete the form and email to Akash Dusrath at [akash.dusrath@sci-bono.co.za](mailto:akash.dusrath@sci-bono.co.za) or Mary-Ann Makama at [mary-ann.makama@sci-bono.co.za](mailto:mary-ann.makama@sci-bono.co.za) **before 28 July 2017** or contact us for more information on 011 639 8460/00.
