Invitation to Participate in Engineering Week

DATE: 13 - 17 May 2019 | **GRADES:** 8 - 12 | **VENUE:** Sci-Bono Discovery Centre

Dear Sir/ Madam

Sci-Bono Discovery Centre invites your organization to participate in the **Engineering Week Programme** taking place from **13 – 17 May 2019**. Sci-Bono Discovery Centre is looking for organizations to support in delivering an exciting and informative school programme through engaging exhibitions, interactive workshops and presentations as well as motivational talks.

Our target audience is Grade 8 – 12 Maths, Science and Technology learners and teachers.

Objectives of the programme:

- Create awareness of and interest in the different engineering professions
- Provide learners and teachers with information about funding and study opportunities
- Enhance understanding and appreciation of the engineering industry
- Project the engineering industry as an employer of choice
- Showcase career opportunities within the engineering field

Support our programme with/by:

- Exhibiting to promote your organization and sharing information about bursaries and employment opportunities
- Facilitating information sessions on the engineering field and its real life applications in society and the economy
- Providing motivational talks by industry role models
- Facilitating hands-on activities to demonstrate the application of mathematics, science and technology in the engineering field.

Target: 4000 Learners

Grade 8 – 12 learners (Monday to Friday) from 9:00 – 13:00
