

Invitation to Participate in Health Science Week

Date: 15 - 19 May 2017 | Grades: 4 - 12 | Venue: Sci-Bono Discovery Centre

Dear Principal

The Sci-Bono Discovery Centre warmly invites your school to participate in our **Health Science Week Programme** taking place at the center from **15 – 19 May 2017**. The learners and teachers coming to the programmer will learn more about health & hygiene, nutrition and food Security and personal safety (substance abuse, teenage pregnancies & sexual health).

Objectives:

- Raise Awareness and understanding of health science
- Support teaching and learning around the themes of Health & Hygiene, Nutrition & Food Security, Environmental Health and Personal Safety
- Highlight and excite learners and teachers about the importance of Maths, Science and Technology in developing appropriate and innovative responses to the health challenges in community
- Showcase career opportunities in health sciences

Theme: Health & hygiene, nutrition, food security, water and sanitation, environmental health and personal safety (substance abuse, teenage pregnancy and sexual health).

Target: Grade 4 – 12 learners (Monday – Friday)

Please complete the form and email to bookings@sci-bono.co.za or fax to 011 832 3360/1. For more information, contact Cynthia Sithole or Siphokazi Ndzamela on 011 639 8400.
