

INTERNATIONAL YEAR OF
PLANT HEALTH
2020

Invitation to Participate in Water Week

DATE: 16 - 19 March 2020 | **GRADES:** 4 - 10 | **VENUE:** Sci-Bono Discovery Centre

Sci-Bono Discovery Centre warmly invites your organization to participate in **Water Week** taking place from **16 March – 19 March 2020**. Raising awareness for water issues is a way to build a common understanding of water issues and to create shared values on how water should be used and managed. It will always be an initiative of the Sci-Bono Discovery Centre on MSTE (Mathematics, Science, Technology and Engineering) which aims to educate our learners about water at an early age and to encourage them to develop an interest in studying mathematics and science subjects.

Theme: Water is Life

Objective:

- To raise awareness and increase public understanding of science.
- To highlight and excite learners, teachers & the general public about the importance of Mathematics, Science, Technology and Engineering in our daily lives.
- To showcase career opportunities in Mathematics, Science, Engineering and Technology.
- To showcase the many new frontiers of science today that are worth celebrating and which will enable us to build our future.

Target: 1 680 learners | **Grade 4 – 10** | **Monday to Thursday from 09:30 to 12:30**

If you would like to showcase your organization at Water Week through interactive workshops, engaging presentations and extraordinary exhibitions please complete the attached forms and email them to the following:

Xolane Nameka xolane.nameka@sci-bono.co.za **before 12 March 2020** or contact us for more information on 011 639 8427/90.
